The fee for standard data services is **\$45.00 per hour**. There is a one-hour minimum charge for all requests. The fee for data services over the first hour is billed at \$0.75 per minute for standard requests, or \$1.50 per minute for 48-hour requests. Standard requests require an average of one to two hours. It normally takes two weeks to answer a request. One-week service is available for **\$67.50 per hour** or forty-eight hour service is also available for **\$90.00 per hour**. Fax charges are \$2 per page. Government agencies, non-profit organizations, students, and researchers are provided two hours of data services at the standard time frame per month as time and resources permit.

Acceptance of Stipulations Concerning Preliminary Mapping and Database Products from the Kentucky State Nature Preserves Commission

Requests for information from KSNPC will not be filled unless this form is signed and dated. The undersigned, in accepting preliminary mapping and database products, hereby acknowledges the limitations of such rare species attribute and locational information and the following restrictions on use:

1. The database from which these information products are developed is in preliminary form, subject to change and regular updates. This map or database product was produced and maintained by the Kentucky State Nature Preserves Commission for its internal purposes only. The Kentucky State Nature Preserves Commission makes no representation or warranty as to its accuracy, and in particular, its accuracy as to labeling, dimensions, boundaries, or placement or location of any map features thereon. The Kentucky State Nature Preserves Commission MAKES NO WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS OF USE FOR A PARTICULAR PURPOSE, EXPRESS OR IMPLIED, WITH RESPECT TO THIS MAP PRODUCT. Any user of this map or database product accepts the same AS IS, WITH ALL FAULTS, and assumes all responsibility for the use thereof, and further covenants and agrees to hold the Kentucky State Nature Preserves Commission harmless from and against any damage, loss, or liability arising from any use of the map or database product.

2. Data and data products received from the Kentucky State Nature Preserves Commission including any portion thereof, may not be reproduced in any form or by any means without the express written authorization of the Kentucky State Nature Preserves Commission. The exact location of plants, animals, and natural communities, if released by the Kentucky State Nature Preserves Commission, may not be released in any document or correspondence. These products are provided on a temporary basis for the express project (described above) of the requester below, and may not be redistributed, resold or copied without the written permission of the Kentucky State Nature Preserves Commission's Data Manager (801 Schenkel Lane, Frankfort, KY, 40601.
